

NORTH FALLS

Offshore Wind Farm

QUESTIONNAIRE - YOUR FEEDBACK IS IMPORTANT TO US

We would like to hear what you think about our early proposals. The comments we receive will help us refine and improve our plans.

NEED / RATIONALE

1. Do you consider renewable energy to be important in tackling the global climate change emergency and meeting the UK's Net Zero ambitions?

Yes No

2. Do you believe that offshore wind has a key role to play in the UK's energy security?

Yes No

3. Do you believe offshore wind generation needs to play a larger part in the UK's mix of renewable energy generation sources?

Yes No

4. Do you have any general comments or suggestions as to how we can be a good neighbour to the local community as we progress our offshore wind farm plans?

5. Do you have any general comments you would like to make about offshore wind in the UK?

DEVELOPMENT PROCESS

6. Do you have any questions about the North Falls development consent application process

SCOPING

7. Do you have any comments on the North Falls Scoping Report or Planning Inspectorate Scoping Opinion?

THE PROJECT: OFFSHORE

8. Do you have any questions or comments in relation to our proposed array (wind farm / turbine) areas?

9. Do you have any questions or comments in relation to our proposed offshore cable corridor (this could be comments on marine ecology, shipping or anything else you feel relevant.)?

THE PROJECT: LANDFALL

10. Do you make use of the coastal area between Clacton-on-Sea and Frinton-on-Sea?

- Yes No

11. If yes, what type of activity/activities do you do there? (tick all applicable)

|-------------------------------------|---|--|
| <input type="radio"/> Bird watching | <input type="radio"/> Hiking / Rambling | <input type="radio"/> Running / Exercise |
| <input type="radio"/> Dog walking | <input type="radio"/> Playing golf | <input type="radio"/> Swimming |
| <input type="radio"/> Fishing | <input type="radio"/> Marine recreation | <input type="radio"/> General recreation |
| <input type="radio"/> Other | | |

12. Do you have any comments about the proposal for our cable to landfall between Clacton-on-Sea and Frinton-on-Sea?

13. Do you have any questions or comments about the proposal to use horizontal directional drilling (HDD) to avoid sensitive areas?

THE PROJECT: ONSHORE

14. Please order the issues that you consider to be the most important in relation to the onshore impacts of the wind farm. *Please number each one 1 - 10, (1 being the most important to you, and 10 being the least important)*

- Traffic and transport**
- Air quality and noise**
- Landscape and visual**
- Tourism and recreation**
- Water quality and flood risk**
- Land use and contamination**
- Archeology and cultural heritage**
- Onshore ecology (habitats, flora and fauna)**
- Socio-economic (local economy and society)**
- Ground conditions (geology, hydrology and soil)**

15. Please include details on why you have chosen these issues

Please post your response to: FREEPOST North Falls or email it to: contact@northfallsoffshore.com
